King Arthur would get advice from his magician, Merlyn, in the mythic stories. The real Arthur (who lived over 500 years before the period of the mythic Arthur) was trained by a Druid bard and poet named Merlyn. The result was an unprecedented period of peace that lasted for twenty years.

In Douglas Monroe's *The 21 Lessons of Merlyn*, you'll read delightful stories based on the historic Arthur and Merlyn. Each one is followed by lessons based on the never-before-published 16th century manuscript entitled *The Book of Pheryllt*. In a metaphoric sense, you'll see how Arthur learned his lessons. In a practical sense, you be learning the same sort of lessons that Arthur may have learned.

This is truly a complete course in authentic Celtic Druidism and magick. Filled with lore, philosophy, wisdom, rituals, and more, you'll be able to apply many of these concepts to improve your life.

If you are looking for accurate information, this is the place to start! Douglas Monroe has studied magick since he was ten years old and has taught in the United States, Britain, and South America, and is the founder of the New Forest Centre for Magickal Studies. His own illustrations and charts fill the book and clarify the deep teachings of the ancient Druids.

From learning about Stonehenge to the Rite of the 3 Rays for protective purification; from learning the four herbs that will aid in conserving male sexual energy to discovering the secrets of calling the Dragon (the power of the ley lines); this book is like a full course meal in a cafeteria of magick.
