Every child is born to be a blessing. Many parents experience overwhelming love when their children are born, and strive to raise their children to experience a relationship with God through Jesus Christ.

This guide for parents enables them study, learn, and grow together to find answers to shared questions and concerns as they raise their children. Parents will deal with many areas of children's lives such as self-control, truth-telling, sibling rivalry, generosity, and making faithful decisions.

Perfect for small groups, each session includes Scripture, plus stories, and questions for meditation and discussion. Parents learn new tools to respond to their children in positive, Christ-like ways, and gives them the courage to face one of the most blessed jobs of all -- raising Christian children.
