Fong Chan PhD CRC

Counseling Theories and Techniques for Rehabilitation and Mental Health Professionals, Second Edition (Springer Series on Rehabilitation) Fong Chan PhD CRC

The only text about counseling theories and techniques developed specifically for upper-level rehabilitation counseling students and practitioners, this book is now fully updated with a focus on evidence-based practice. It reflects the great strides made in incorporating research-based knowledge into counseling/therapy interventions since the first edition's publication nearly 10 years ago. The book disseminates the expertise of many of the most esteemed leaders and academic scholars in rehabilitation counseling. These authors emphasize state-of-the-art scientific evidence that supports the effectiveness of various counseling approaches and techniques for people with and without disabilities.
