La política exterior de Chile, 1990-2009: del aislamiento a la integración global. Volumen 2 (Spanish Edition) Mario Artaza R., César Ross O.

Con el objetivo de explicar de manera sencilla y directa lo que fue la política exterior de Chile en las dos últimas décadas y contribuir al escaso debate público que despierta esta y las relaciones internacionales en general, más allá de las fronteras del mundo académico, el libro muestra al lector los hechos y análisis más relevantes que han marcado la agenda nacional ligada al tema.

El lector podrá conocer, a través de este segundo volumen, a los personajes más destacados que han participado de estos hechos, sin importar su color político, y las dificultades a las cuales se han tenido que enfrentar, como también las medidas y condiciones que han influenciado en la ejecución de las diferentes decisiones que como país se han tomado.

La obra está dirigida a estudiantes de ciencias políticas y relaciones internacionales de las distintas Universidades del país y también a todos aquellos que se preocupan de los numerosos desafíos que se le plantean a Chile en sus relaciones con el mundo.
