L'Homme au Masque de Fer (French Edition) Arthur Bernède

L'homme au masque de fer est l'un des prisonniers les plus fameux de l'histoire française. Le mystère entourant son existence, ainsi que les différents films et romans dont il a fait l'objet, n'ont cessé d'exciter les imaginations. Dans le roman de Bernède les médecins sont formels: si Anne d'Autriche n'a pas encore donné d'héritier au trône de France, ce n'est pas de son fait, mais de celui de Louis XIII. Cette situation ne satisfait pas Richelieu qui redoute que son plus grand ennemi, Gaston d'Orléans, frère du roi, ne puisse accéder au trône. Or, un jour, un émissaire de Richelieu, M. Durbec, lui apprend que la reine est partie du Val-de-Grâce où elle s'était retirée pour quelques semaines. M. Durbec en connaît la raison : la reine va être mère. Richelieu comprend immédiatement que le père de l'enfant à naître ne peut être que Mazarin, alors confident de la reine. L'enfant naît et est secrètement confié au chevalier Gaëtan de Castel-Rajac, amant de Mme de Chevreuse, confidente de Mazarin et de la reine. Gaëtan n'aura de cesse de protéger cet enfant contre tous les complots visant à le faire disparaître, derrière lesquels on retrouve Richelieu, puis, bien des années après, Colbert, et toujours M. Durbec...

Arthur Bernède (1871 - 1937), est un romancier populaire français. Auteur très prolifique, il a créé plusieurs centaines de personnages romanesques, dont certains, devenus très célèbres, tels que Belphégor, Judex et Mandrin, ont effacé leur créateur. Il a également mis en scène Vidocq, inspiré par les exploits de ce chef de la Sûreté haut en couleurs. Il est également connu sous les noms de plume de Jean de la Périgne et de Roland d'Albret.
