Operation Zulu Redemption: Hazardous Duty - Part 3 Ronie Kendig Part 3 of an Action-Packed 5-part Serial Novel!

The odds are stacked against them, but Zulu refuses to surrender. After all the hits they've taken, it'd be easy to quit. But Annie, Teya, and Nuala didn't train so intensely to be part of the first all-female special ops team to let their enemy win. Now that the fight's been incited so fiercely with Jessie, Candice, and Keeley, the rest of Zulu won't go down without a fight. They'll find answers, justice, and vindication for that tragic night they were set up in Misrata. Or die trying. Giving up isn't in the bones of Sam Caliguari either—not even after thugs snatch him from Manson. He won't be muzzled in his effort to get Annie out of trouble. Annie knows Sam will use every bit of his SEAL training to track her down, but she didn't expect the tangle of strong feelings she'd have for him *and* Trace. Téya never imagined the nightmare that would hit after crossing the deadly path of The Turk. What could he possibly want with *her* so specifically? And while Trace anticipates physical threats, he's also watching his back for the next political fallout, because Francesca Solomon is unyielding in her quest to bring him down. Will Zulu ever catch a break?
