Gautam completed Chartered Accountancy after several attempts, and to his luck, landed up with Anand – a close friend and brilliant CA – to launch an Accounting Services company named FAB. He finds love in the same profession, without much ado.

Can life really be all that simple and straightforward?

Can mere accountants build a valuable, visible, scalable and glamorous enterprise that could also grab business from across borders?

That's when Vimal comes in with a delectable package – an impressive consulting profile and his smart and very beautiful sister Ruchi, who agrees to support these starry-eyed entrepreneurs with her marketing acumen.

FAB grows but relationship depletes. Some pull the strings, while others become puppets.

Should they continue with the current arrangement, or exit completely?

Ready.. Steady.. Exit is a humorous, dramatic, romantic, enlightening and entertaining read. This story and narrative will inspire every reader, even more so if you are an entrepreneur or a Chartered Accountant or someone associated with financial services.
