**The Listener: What if you could hear what God hears?** Terri Blackstock

Something strange happened to Sam Bennett this morning.

One minute he was sleeping peacefully. Then he was having the strangest dream. And now-Sam is hearing things. Voices, from people all around him.

The waitress in the coffee shop. The elevator operator in Sam's office building. His wife, his secretary, even his pastor. Sam now has insight into people's hearts. He hears their deepest needs just by being near them.

But what can one listener do for a world of souls in need of help?
