The No-Nonsense Guide to Tourism (No-Nonsense Guides) Pamela Nowicka

This guide demystifies the often invisible impacts of global tourism, one of the biggest industries in the world, from labor conditions to development by stealth, to the role of elites and the cultural impacts on both the visitor and the visited.

It also takes in themes such as the gap year and the role of travel and vacations in Western cultures, and examines the “happy smiling faces” syndrome and asks whether this is just a reworking of old colonial relationships.

Pamela Nowicka is a journalist and consultant writing on numerous tourism and ethics subjects.
