Xibalbá (Spanish Edition)

Stanley Struble

Xibalbá (Spanish Edition) Stanley Struble

La aventura de dos arqueólogos en busca de los códices secretos de los mayas, un relato lleno de misterio en una zona azotada por la guerrilla zapatista y el narcotráfico.

Stanley Struble nos trae una novela llena de intriga, misterio, amor y una compleja trama que mezcla la corrupción política, la actividad de la guerrilla zapatista e investigación arqueológica. Una novela que logra un equilibrio perfecto entre personajes y ambientes y con una sobresaliente habilidad para traernos de un modo ágil los exóticos paisajes de la selva mexicana y los complejos caracteres humanos: la ambición, la crueldad, pero también la rebeldía o la honestidad son encarnados en los distintos personajes de la obra de un modo preciso.

Cuando los españoles llegan a las tierras mayas, el obispo Diego de Landa ordena quemar todas las reliquias por considerarlas heréticas. El chamán Caracol Rojo, consigue salvar dos misteriosos códices y una estela de piedra. Cinco siglos después, la arqueóloga Karen Dumas descubre la localización de los códices pero es expulsada de la investigación, ella, sin embargo, no está dispuesta a renunciar a la gloria y se traslada a San Cristóbal de las Casas donde intentará, con la ayuda del arqueólogo David Wolf, recuperar los códices. *Xibalbá* es la lucha de los arqueólogos por encontrar los libros mayas en una tierra donde las revueltas zapatistas y las duras represalias del ejército en colaboración con los capos del narcotráfico, no les dejará indiferentes.

Razones para comprar la obra:

- *La obra trata temas tan polémicos como la relación del ejército mexicano y la CIA con los grandes cárteles de la droga.*
- *La revisión de la historia de la América precolombina está produciendo continuos hallazgos arqueológicos, entre ellos, la entrada a Xibalbá, el inframundo maya.*
- *El estilo ágil y la precisión léxica en las descripciones contribuyen a que el ritmo de la novela sea vertiginosos.*
- *El autor es un escritor que ha sabido abrirse un hueco en la narrativa americana gracias a la originalidad de sus historias y al estilo de sus obras.*

Una novela que conecta el pasado maya con las reivindicaciones del pueblo en la actualidad y, mediante una historia apasionante, nos descubre el expolio sistemático de tierras a sus legítimos dueños, los mayas.

“Nueva novela de Stanley Struble con todos los ingredientes para convertirse en un éxito editorial. Misterio, suspense, emoción y buena calidad literaria harán de esta obra una de las mejores del año.”(Web Blogocio)
