## **Awoken** Timothy Miller

Fourteen-year-old Michael Stevens has never been ordinary; no orphan who hears music coming from rocks considers himself a typical teenager. But life gets a lot more complicated when two-foot-tall, albino, doll-like men sneak into his room one night, transforming the harmless music into a frightening ability he cannot control.

Soon, strangers in black suits begin to ask unsettling questions while unnatural animals with mismatched eyes haunt the streets. They are hunting, and not just Michael: anyone he cares about is in danger.

With the help of a mysterious drifter, an annoying girl he's accidentally mutated, and one of those creepy doll men, Michael finds himself in the middle of a war that could forever change the world he knows--reconstructing the very definition of humanity.
