Law and Language

Harold J. Berman

Law and Language Harold J. Berman

Completed in 1964, Harold J. Berman's long-lost tract shows how properly negotiated, translated and formalised legal language is essential to fostering peace and understanding within local and international communities. Exemplifying interdisciplinary and comparative legal scholarship long before they were fashionable, it is a fascinating prequel to Berman's monumental Law and Revolution series. It also anticipates many of the main themes of the modern movements of law, language and ethics. In his Introduction, John Witte, Jr, a student and colleague of Berman, contextualises the text within the development of Berman's legal thought and in the evolution of interdisciplinary legal studies. He has also pieced together some of the missing sections from Berman's other early writings and provided notes and critical apparatus throughout. An Afterword by Tibor Várady, another student and colleague of Berman, illustrates via modern cases the wisdom and utility of Berman's theories of law, language and community.

From reader reviews:

Sheri Furlong:

In this 21st millennium, people become competitive in each way. By being competitive currently, people have to do something to make them survive, being in the middle of typically the crowded place and notice through surrounding. One thing that sometimes many people have underestimated that for a while is reading. Sure, by reading an e-book your ability to survive enhances then having a chance to stand out, that is high. To suit your needs who want to start reading any book, we give you that Law and Language book as a beginner and daily reading book. Why, because this book is more than just a book.

Chester Grantham:

Reading can be called a head hangout, why? Because if you are reading a book, particularly a book entitled Law and Language, your thoughts will drift away through every dimension, wandering in each and every aspect that maybe mysterious for but surely will end up your mind friends. Imagining just about every word written in a guide then become one form of conclusion and explanation, this maybe you never get just before. The Law and Language giving you yet another experience more than blown away your thoughts but also giving you useful details for your better life on this era. So now let us present to you the relaxing pattern, this is your body and mind will probably be pleased when you are finished looking at it, like winning a. Do you want to try this extraordinary wasting spare time activity?

Allie Littlefield:

Is it anyone who has spare time after that spends it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This Law and Language can be the response, oh how comes? A fresh book you know. You are thus out of date, spending your free time by reading in this brand-new era is common, not a geek activity. So what do these textbooks have that the others?

Shawn Mathison:

Within this era which is the greater individual or who has ability in doing something more are more important than others. Do you want to become among it? It is just a simple way to have that. What you must do is just spending your time little but quite enough to enjoy a look at some books. One of several books in the top list in your reading list will be Law and Language. This book which can be qualified as The Hungry Hills can get you closer in growing to be a precious person. By looking right up and reviewing this guide you can get many advantages.
