Chuck Taylor's OCD has rendered him a high school outcast. His endless routines and habitual hand washing threaten to scare away both his closest friend and the amazing new girl in town. Sure he happens to share the name of the icon behind the coolest sneakers in the world, but even Chuck knows his bizarre system of wearing different color "Cons" depending on his mood is completely crazy.

In this hilariously candid debut novel from comedian Aaron Karo—who grew up with a few obsessions and compulsions of his own—very bad things are going to happen to Chuck. But maybe that's a good thing. Because with graduation looming, Chuck finds himself with one last chance to face his inner demons, defend his best friend, and win over the girl of his dreams. No matter what happens, though, he'll have to get his hands dirty.
