New Play Development: Facilitating Creativity for Dramaturgs, Playwrights, and Everyone Else

Lenora Inez Brown

"This is a book for dramaturgs of new work, but it is also a particularly effective book for anyone working on new plays: playwrights, directors, producers, even actors. Lenora skillfully dissects the process of workshopping new writing, and clearly defines the roles for all involved. I learned not only how to make a new play workshop more effective, but how to approach my writing and my directing, and how to meaningfully collaborate with others in this unique process. This is a necessary handbook for anyone working on new plays today." --Anne Marie Cammarato, Director
