Of God and Men A. W. Tozer

Is our Christianity that of the New Testament?

"God and men and their relation to each other—this I believe to be all that really matters in the world, and that is what I have written about here."

—A. W. Tozer

Like a physician running a biopsy on lifeless faith, here A. W. Tozer offers one of the most compelling critiques of feigned spirituality you may ever read.

In *Of God and Men*, Tozer exposes false religious notions and lifts up true New-Testament Christianity. A loving and gentle critique of culture and even the church, it reveals lies we unknowingly believe, godless practices we unknowingly do, and treasures of Christ we unknowingly ignore. A manifesto of true religion, *Of God and Men* will set your foot on the narrow path and lift your heart in soaring worship.
