Greatness Has Many Faces

In their worldwide search for extraordinary figures who fit the criteria for 'something beyond greatness,' authors Judy Rodgers and Gayatri Naraine humbly discovered that the quality of greatness is not the exclusive province of those recognized publicly for their deeds. While all of us acknowledge that this noble characteristic is shared by people such as Gandhi, Mother Teresa, and Martin Luther King Jr., what Rodgers and Naraine found is that this life-affirming quality very often rests in the ordinary.

We are all capable of seeing with love and acting from the heart—two essential qualities of those who accomplish the selfless deeds that transform the world for the better. It is the choice people make when faced with a call to action, no matter how seemingly small or grand, that sets them apart and elevates their esteem in others' eyes, if not in their own.

Something Beyond Greatness is a thought-provoking discussion of the humble, loving service to others that is at the heart of greatness. For insight into the two sides of the coin, Rodgers and Naraine turned to a woman of God and a man of science--Dadi Janki and Humberto Maturana, both world-renowned in their respective practices. Through their discussions with Janki, Maturana, and many others, you'll come to realize, as have the authors, that the two sides of the coin make one whole . . . and that performing a miraculous act of greatness or living a life of greatness is an inspired and heartfelt choice that one makes in a moment of chaos, in the
