**Tax Revolt: The Rebellion Against an Overbearing, Bloated, Arrogant, and Abusive Government** Phil Valentine

Ever since the Boston Tea Party, courageous and patriotic citizens have rebelled against the government's overbearing and abusive taxation of its constituents. This book is the powerful rallying cry to all Americans to continue to fight against our ever-increasing taxes. Using as a touchstone the heroic incident in Tennessee, when citizens converged on the state capitol to protest and repeatedly beat back attempts to pass a state tax, Valentine weaves an inspiring story of how patriotic citizens have stood up to taxes in the past, how many intrepid constituents continue to fight, and how Americans should resist and even revolt against taxes on a state and national level. By exploring the crippling effects of taxes on our economy and the lives of each individual citizen and drawing from the stories of other revolts (with exclusive behind-the-scenes details about the Tennessee rebellion), Valentine will anger and incite readers to action, giving them the motivation and know-how to spread the word and activate a powerful new revolution.
