The Cambridge Companion to Henry James (Cambridge Companions to Literature)

The Cambridge Companion to Henry James is intended to provide a critical introduction to James' work. Throughout the major critical shifts of the past fifty years, and despite suspicions of the traditional high literary culture that was James' milieu, as a writer he has retained a powerful hold on readers and critics alike. All essays are written at a level free from technical jargon, designed to promote accessibility to the study of James and his work.
