**The Vestry Handbook: Third Revised Edition** Christopher L. Webber  
The Vestry Handbook was first published in 1988 and a revised edition was published in 2000. Over that span of time it has sold nearly 90,000 copies and continues to sell well each year.

Inevitably, such a working guidebook becomes out of date if not revised at regular intervals. The Canons of the church change and new issues confront Vestries.

The author consulted diocesan administrators, other clergy, the Church Deployment Office, and the Church Pension Fund for this timely revision. Canons, resource listings, financial information, continuing education, technology issues, plus how to deal with current tensions in the Anglican Communion and a myriad of other spot revisions can be found throughout this completely updated edition.
