**Great Jones Street (Contemporary American Fiction) Don DeLillo**

**From the author of *White Noise* (winner of the National Book Award) and *Zero K***

Bucky Wunderlick, rock star and budding messiah, has hit a spiritual wall. In mid-tour he bolts from his band to hole up in a dingy East Village apartment and separate himself from the paranoid machine that propels the culture he has helped create. As faithful fans await messages, Bucky encounters every sort of roiling farce he is trying to escape. A penetrating look at rock and roll's merger of art, commerce and urban decay, **Great Jones Street** "reflects our era's nightmares and hallucinations with all appropriate lurid, tawdry shades" --**The Cleveland Plain Dealer**.

*From the Trade Paperback edition.*
