Money/Space: Geographies of Monetary Transformation (International Library of Sociology) Andrew Leyshon, Nigel Thrift

Bringing together in one volume the most important writings of Andrew Leyshon and Nigel Thrift on money and finance, including the unpublished classic "Sexy-Greedy" this collection examines the economic, social and cultural manifestations that go to make up the multiple vision of money.

Money, it seems is the great God of our age. It is also an economy, a sociology, an anthropology and a geography. Linking money with the emergent patterns of global spatial order. *Money/Space* analyses the restructuring of financial markets in a range of spatial scales; global, national and local.
