Ruth Fielding was a series of adventure and mystery novels aimed at young girls produced by the Stratemeyer Syndicate in the early 20th century. Ruth Fielding at the War Front is from a series of books about her time in the Red Cross during World War 1.

The Stratemeyers would later be famous for producing other young adult series' like the Hardy Boys and Nancy Drew. As was customary in their practice, each series was published with a writer's pseudonym for the sake of consistency and building an audience, and were actually written by different people under the same name. The real author's names were rarely known, and some have been lost to time. The Ruth Fielding series was no different, though we now know that the first 18 Fielding books were written by Walter Bertram Foster.
