## **Tongue & Groove (Illinois Poetry Series)** Stephen Cramer

Inspired and informed by the music and urban landscape of New York City, Tongue & Groove employs jazzy and descriptive language in a sweep of city-life experiences and memories. A passionate rendering of incidents in spaces that include the subway, a school for the handicapped, and the Museum of Modern Art, Stephen Cramer employs richly sensual language and a wide range of imagery. Alluring portrayals of butterfly migrations, graffiti, and city buses complement this collection's connection to the everyday hoots, shouts, and yammer of the streets. --or you can open your mouth & stick out your tongue, take that fugitive impulse from the artist's hand straight into your very gut & maybe find out along the way if the lime-green of that inverted roof & the burnt almond of the filling station's roadside grasses live up to their names. --from "Taste"
