He was the son of her sworn enemy...and now the only one who could save her

Samantha Proud doesn't think her life could get any more complicated—or tragic. Since she dared to save a human boy from evil spirits, Nagi, the Ruler of Ghosts, has been actively stalking her family. Still, she never expected well-meaning Thunderbirds to scatter them to the four winds, dumping her at the feet of Alon Garza, a gorgeous Halfling, for safekeeping.

Alon has never met anyone like the sensual shifter who has just been literally dropped into his woods. Because of who he is, he never wanted to be with a woman for more than one night. Now, to keep Samantha safe, his only choice is to claim her. But will his desire expose the dark truth he's been fighting for so long?
