Becoming Real: Christ's Call to Authentic Living Steven James

Most of us live in a state of unreality, afraid to show our true self. But deep inside, like the renowned Velveteen Rabbit, we long to become real.

Weary of masking true struggles, most of us long for transparency and ache for the embrace of a God who meets them amid the mess of life.

Award-winning author Steven James offers an open invitation for those daring enough to venture into a new realm of vulnerability, where it is admirable to be honest about shortcomings, genuine with love, and unguarded about motives.

Divided into sections on Embarking, Awakening, and Emerging, this book outlines a process that leads to a more abundant life as pretense and defensiveness are left behind.
