D. H. Lawrence

El arco iris (Spanish Edition) D. H. Lawrence

El arco iris (1915) de D. H. Lawrence –que presentamos por primera vez íntegra en español, en nueva traducción de Catalina Martínez Muñoz– cuenta la historia de una familia a lo largo de tres generaciones, desde la década de 1840 hasta 1905. Del granjero Tom Brangwen y su mujer Lydia Lensky, viuda de un médico polaco, hasta su nieta Ursula, ya una joven con trabajo y estudios, describe el paso de una sociedad rural a una urbana e industrial con una sensibilidad en su día completamente nueva, y aún hoy enormemente original y sorprendente. Prohibida en su día por «obscena», la novela encuadra la saga familiar en los esquivos y neblinosos márgenes de la intimidad, en los que el autor se vuelca como ningún otro lo había hecho antes: es en la conciencia de sí mismos, en su aceptación o rechazo de las condiciones de la vida en pareja, y de todo lo que ésta crea y destruye, donde los personajes se definen, huyen o se atrapan, viven y evolucionan. «Cuerpos y almas son lo mismo», dice Lawrence: ¿es posible, pues, encontrar un sitio para la sexualidad no solo en la naturaleza, sino en el orden del conocimiento y hasta en la religión? Para sus personajes es decisivo descubrir la oscuridad, «dar el salto de lo conocido a lo desconocido», y toda la agitación y la voluptuosidad de este salto impregna cada una de las páginas de la novela.
