Ewerton Death Trip

A.R. Morlan

Ewerton Death Trip A.R. Morlan

The cursed village of Ewerton, Wisconsin is one of the great "bad places" in weird literature: a town that's just thoroughly bad to the bone--evil and dark and full of human suffering. And now A. R. Morlan returns to the scene of her classic horror novels, *The Amulet* and *Dark Journey*, with 25 horrific tales of men and women pushed beyond the limits of endurance. As Ardath Mayhar says: "The horror she evokes is not so much occult as uniquely human. The worst of human traits are her stock in trade. The hints of otherworldly elements are used in just the right proportions to make one shiver." And Robert Reginald states: "She drives the stake of horror right through the center of your quivering heart!"
