"How a person plays the game shows something of his character. How that person loses shows all of it."

"A woman went up to a violinist after his concert and told him, "I would give half my life to be able to play as well as you do." To this the violinist replied, "That is exactly what I have done." Even great talent requires sacrifice and work. To have the reward, we must put forth the effort."

Abraham Lincoln said, "I am not bound to win, but I am bound to be true. I am not bound to succeed, but I am bound to live up to the light I have. I must stand with anybody who stands right, stand with him while he is right, and part with him when he goes wrong."

What lies behind us and what lies before us are small matters compared to what lies within us. Ralph Waldo Emerson

Dwight D. Eisenhower said, "A people that values its privileges above its principles soon loses both."

"You may make a living by what you get, but you make a life by what you give."
