The Significance of One: How to Make Your Life Matter: 1 Steve Vanzant

Filled with dramatic true-life tragedies, you are immediately submerged into the fatal world of car accidents, suicides, a train wreck, and the aftermath of traumatic experiences.

Can one person make a significant difference in the midst of human suffering? Can one person change the outcome of a personal tragedy? Author Steve Vanzant says, "Yes"! As chaplain for a fire department, he is one of the first responders to scenes that would horrify and sicken even the strongest.

Hold on tight as you ride with sirens blaring into areas that you hope you only read about during your lifetime. Sit still and listen carefully as you hear the heartache and see the tears that death and destruction bring.

One person is significant-you can be the one who helps others through tough times, changing them and the world in the process. Just sitting beside someone in pain, listening to a suffering friend, or opening your heart to hear God's voice makes a positive difference-even an eternal difference.
