## **Appointment at the Altar - Bridegroom Boss 2 (Harlequin comics)** Jessica Hart

At first Lucy hated Guy. Working at a farm in Australia, grinding flour, Guy constantly calls her "Cinderella." Whenever he does, she feels like smiling and has a hard time calming down. Guy is handsome and smells of the privileged classes, but then again, since he is a visitor to the farm it is easy to think this. And now, due to certain circumstances, she finds herself returning to London. It just so happens that Guy is also returning, and they are sitting beside each other on the flight. She would never have thought that only a couple days later she would be working at his company and referring to him as her boyfriend.
