"You've got sixty seconds to strip down, crawl over my knees, and beg for the spanking you deserve, or you can get out of my house."

Nadine's shopping habits have gotten her in trouble again. This time, her husband isn't simply going to talk to her. He's going to assert some **domestic discipline** in their household. **Spankings** are only the beginning as her body is **punished** for 10 years of neglect.

Will she be able to handle the **pain and degradation** as her husband takes her every other hole exactly as he's wanted for so many years? She may not enjoy it, but when she realizes that her husband has a strong and wrathful **alpha male**, she may not be able to control her body's reaction!

This 5000 word story contains a 4200 word excerpt from my Dark BDSM Romance novel, *Torn*.
