Cider, Hard and Sweet: History, Traditions, and Making Your Own (Third Edition)

Ben Watson

Cider, Hard and Sweet: History, Traditions, and Making Your Own (Third Edition) Ben Watson

In this richly informative and entertaining book, Ben Watson explores the cultural and historical roots of cider. He introduces us to its different styles—draft, farmhouse, French, New England, and sparkling—and also covers other apple products, like apple wine, apple juice, cider vinegar, and Calvados.

Cider is the new thing in today's drinking world, even though it's been around for centuries. In spite of its long and colorful history, cider has remained relatively underappreciated by the American public. The purchase in 2012 of a Vermont-based cidemaker for over \$300 million signaled that this is all likely to change very soon. Richly informative and entertaining, *Cider, Hard and Sweet* is your go-to source for everything related to apples, cider, and cidermaking. It includes great information on apple varieties, cidermaking basics, barrel fermentation, and recipes for cooking with cider—with instructions for making boiled cider and cider jelly, and recipes for dishes with cider braises and marinades. It also teaches readers how to recognize a good cider and takes you from buying store-bought to making the genuine article at home.
