The ultimate reference and tutorial for AutoCAD software

This Autodesk Official Press book employs concise explanations, focused examples, step-by-step instructions, and hands-on projects to help you master both AutoCAD and AutoCAD LT. This detailed guide works well as both a tutorial and stand-alone reference, and is the perfect resource regardless of your level of expertise.

- Part I introduces the basics of the interface and drafting tools
- Part II moves into such intermediate skills as effectively using hatches, fields, and tables
- Part III details such advanced skills as attributes, dynamic blocks, drawing curves and solid fills
- Part IV explores 3D modeling and imaging
- Part V discusses customization and integration

The supporting website includes all the project files necessary for the tutorials as well as video tutorials and other bonus content.
