Sonia Pérez Toledo

Población y sociedad. México (1830-1880) (Spanish Edition) Sonia Pérez Toledo

La investigadora e historiadora Sonia Pérez Toledo expone cómo a mediados del siglo XIX la República Mexicana se debatía entre buscar una organización política que asegurara la marcha del país hacia la «modernidad» y encontrar recursos económicos para impulsar las actividades productivas afectadas por una larga y profunda crisis económica.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

Distinciones:

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
