STONY MAN

The covert group known as Stony Man has a presidential mandate: keep democracy safe from terror, murder and mayhem. To that end, these elite techno-warriors and battle-hardened commandos take it to the enemy wherever the next conflict occurs. Now, for the dedicated warriors, it's down to dirty business, as a weaponized plague is unleashed across the globe....

SILENT ARSENAL The outbreak of a manufactured virus that is 100-percent lethal takes Phoenix Force and Able Team into a war against terror that's spreading from the jungles of Myanmar to Somalia, and across the globe to Europe. Tracking the insanity to its source, Stony Man discovers that when the smoke clears, they're facing the worst of all possible nightmares: a conspiracy made in America.
