A Psychic in the Heartland: The Extraordinary Experiences of a Small-Town Doctor Bettilu Stein Faulkner

The true story of a small-town doctor destined to live his life along two paths: one as a successful physician, the other as a psychic with ever more interesting adventures.

Experiencing a wide range of spiritual phenomena, Dr. Riblet Hout learned about the connection between the healer and the healed, our individual missions on earth, free will, and our relationship with God. He also paints a vivid picture of life on the "other side" as well as the moment of transition from physical life to "afterlife."
