## **Early Childhood Theories and Contemporary Issues: An Introduction** Mine Conkbayir, Christine Pascal

Having a good grasp of the theories of child development and how these translate into practice can make a positive difference to how you understand babies and children and the ways in which you can help them learn. This approachable guide offers easy access to a wide range of concepts, as well as classic and current theories, about how babies and children learn.

Each chapter offers clear guidance on how to recognise the theory in action and suggests ways to test these ideas out in early years settings, supporting the development of reflective practice. Case studies are included throughout, along with questions to guide thinking and encourage readers to develop their practice. Summaries conclude each chapter offering a quick reference of the theory examined and the benefits of applying it to practice.

*Early Childhood Theories and Contemporary Issues* is an essential guide for all those looking to develop and enhance their practice in supporting child development within the early years.
