North Star: A Barnaby Skye Novel (Skye's West) Richard S. Wheeler

There is a season for all things. . .

For Barnaby Skye, legendary guide and man of the borders, it is time to start a new life. For Skye's younger wife, the beautiful Shoshone woman he calls Mary, it is time to find the beloved son she has not seen in seven years. For Skye's half-blood son, North Star, it is time to discover who he is. And for Skye's older Crow wife, Victoria, the whole world is spinning out of control.

In this sweeping novel of the early West, Skye and his wives and son cope with radical change as the wilderness vanishes, the buffalo are slaughtered, and the government puts the tribes on reservation lands. How can people born and bred to tribal life learn to live another way?

Their struggle takes the Skyes from the Crazy Mountains in Montana to St. Louis and the Wind River Reservation in Wyoming, wrestling with the tide of settlers and the new settlements that dot the western plains and mountains - a tide that leaves no good place for a veteran borders man with two Indian wives and a mixed-blood son.
