**The Focus Model: Systematic School Improvement for all Schools** B. (Billy) R. (Ray), Jr. Jones

*With school improvement initiatives, quality trumps quantity every time.*

This book solves the growing problem of schools implementing too many improvement strategies at once instead of deep focus on the most critical few. B.R. Jones's method details:

- **Selecting critical standards**—Defining the skills your students most need now.
- **Uncovering the essentials**—Choosing your initiatives based on a deconstruction of the standards and targeted definitions of how they will enrich students.
- **Critical formative analysis of students**—Analyzing student work to measure the strategy's effectiveness.
- **Critical learning teams**—Collaborating with colleagues so everyone can make better decisions.
