**¡Bernabé, Bernabé! (Spanish Edition)** Tomás De Mattos

Josefina Péguay nos revela datos incuestionables desde el punto de vista histórico que habilitan nuevas valoraciones sobre acontecimientos y personas poco conocidos o sileciados por la historia oficial, y el sentir y pensar de una sociedad -el desprecio por la minorías-, las limitaciones y desbordes del poder, la justificación racional de las mayores atrocidades.

El lenguaje conciso y fluido, el sutil y complejo entramado de historias y ficción, las referencias bíblicas y clásicas que apuntan a la universalidad permanente de los hechos, el dilema ético, configuran una novela apasionante que incita al lector a replantearse su historia personal y colectiva.
