Blood Relations: A Torie O'Shea Mystery (Torie O'Shea Mysteries) Rett MacPherson

In Rett MacPherson's charming cozy mysteries, genealogist Torie O'Shea always seems to be right in the middle of it all in the goings-on in New Kassel, Missouri. When a drought hits the tiny river town and the depth of the mighty Mississippi lowers, Torie is one of the first on the scene to see what the water has revealed: the decades-old wreckage of a riverboat. Soon, the rumors that surrounded its sinking have resurfaced as well and are swirling all over town, most notably about the existence of a cache of diamonds thought to be on board that was never recovered. Before long, a trove of treasure seekers flocks to town, and inevitably, tragedy strikes amid the feverish competition of the treasure hunt.

Meanwhile, Torie is staggered by another discovery---the existence of a half sister she never knew she had. Shocked and surprised, she looks around for a distraction, and decides to dig into what really caused the wreck, as well as the location of the missing diamonds. All in all, the combination of personal intrigue and cold-blooded murder makes *Blood Relations* a sparkling addition to a terrific mystery series.
