Roger Smith's *Introduction to Land Law* presents a straightforward account of the law and its effects, providing clear explanations of legal concepts students often find difficult to grasp and illuminating the interesting and thought-provoking issues stemming from land law.

The third edition incorporates leading decisions from the Supreme Court which have lately emerged in important areas of land law such as human rights (*Manchester CC v Pinnock*), leases (*Jones v Kernott*) and the family home (*Mexfield Housing Co-operative Ltd v Berrisford*). The chapter on the family home has been substantially revised to reflect recent developments.
