The Little Black Book of Decision Making: Making Complex Decisions with Confidence in a Fast-Moving World Michael Nicholas

The secret to making the right call in an increasingly complex world

The decisions we make every day – frequently automatic and incredibly fast – impact every area of our lives. *The Little Black Book of Decision Making* delves into the cognition behind decision making, guiding you through the different ways your mind approaches various scenarios. You'll learn to notice that decision making is a matter of balance between your rational side and your intuition – the trick is in honing your intuition to steer you down the right path.

Pure reasoning cannot provide all of the answers, and relying solely on intuition could prove catastrophic in business. There must be a balance between the two, and the proportions may change with each situation. This book helps you quickly pinpoint the right mix of logic and 'gut feeling,' and use it to find the best possible solution.

- Balance logic and intuition in your decision making approach
- Avoid traps set by the mind's inherent bias
- Understand the cognitive process of decision making
- Sharpen your professional judgement in any situation

Decision making is the primary difference between organisations that lead and those that struggle. *The Little Black Book of Decision Making* helps you uncover errors in thinking before they become errors in judgement.

This great information can easily drawn you into brand new stage of crucial thinking.

Adam Perlman:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to

there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Little Black Book of Decision Making: Making Complex Decisions with Confidence in a Fast-Moving World can make you really feel more interested to read.
