**Counseling Multiracial Families (Multicultural Aspects of Counseling And Psychotherapy)** Bea Wehrly, Kelley R. Kenney, Mark E. Kenney

Multiracial families comprise a rapidly growing population in the United States. This volume addresses this population, so often neglected in the counselling literature.

Following an historical overview, the authors: address both the special needs and special strengths of multiracial families; explore the challenges facing interracially married couples; examine social and cultural issues pertinent to parenting multiracial children; and translate results of biracial identity development research into counselling practice.
