Deborah K. Padgett

## **Qualitative and Mixed Methods in Public Health** Deborah K. Padgett

Designed to meet the needs of public health students, practitioners, and researchers, this exciting and contemporary new text from the author of *Qualitative Methods in Social Work Research, Second Edition* offers a firm grounding in **qualitative and mixed methods**, including their social science roots and public health applications. It uniquely addresses two profound changes taking place in public health in the 21st century: the explosion of interest in global public health, and the growing reliance on community-engaged research methods. The author brings public health to life through the use of real-world case studies drawn from the author's funded research projects in breast cancer screening as well as homelessness and mental illness.
