Alasdair Macdonald

Solution-Focused Therapy: Theory, Research & Practice Alasdair Macdonald

This second edition of Solution-focused Therapy remains the most accessible yet comprehensive case-based introduction to the history, theory, research and practice of solution-focused therapy (SFT) within mental health care and beyond.

Drawing on contemporary research and the author's own extensive experience, the fully revised and updated new edition includes:

- " discussion of recent developments relevant to research and training
- " a new chapter on challenges to SFT and the integration of SFT with other therapeutic approaches
- " extended discussion on ethical issues
- " topical exploration of the application of SFT with patients with personality disorders and dementias
- " contemporary research on solution-focused coaching and approaches to organizational change
- " new case material.

This highly practical guide should be on the desk of every student or trainee studying this strongly supported, growing approach. It is also a useful resource for practitioners wanting to update their core skills and knowledge.
