Songs in Sepia and Black and White Norbert Krapf

A collaboration born of a shared love of music, photography, poetry, and Indiana, this book celebrates the history, literature, and art that informs the present and shapes our identity. Richard Fields's black and white photos are evocative imaginings of Norbert Krapf's poems, visual metaphors that extend and deepen their vision. Krapf's poems pay tribute to poets from Homer and Virgil to Walt Whitman, Emily Dickinson, and Wendell Berry, and to singer-songwriters such as Woody Guthrie and John Lennon. They also explore the poet's German heritage, question ethnic prejudice and social conflict, and praise the natural world. The book includes a cycle of 15 poems about Bob Dylan; a public poem written in response to 9/11, "Prayer to Walt Whitman at Ground Zero"; "Back Home," a poem reproduced in a stained glass panel at the Indianapolis airport; and ruminations on the 20th anniversary of the fall of the Berlin Wall, "Questions on a Wall."
