These lively profiles of diverse tea varieties—from delicate white tea to aged black puerh tea—include brewing instructions and vivid descriptions of the beverage scent, taste, and appearance; everything you need to become a connoisseur.

Tea has long been popular in the United States, but only recently have Americans treated this nuanced beverage with a deeper curiosity, more refined approach, and wider appetite. *The Wall Street Journal* reports that total U.S. tea sales are nearly four times what they were in 1990, and this growing population of discriminate consumers will celebrate the new vocabulary provided in *The Harney & Sons Guide to Tea*.

Unique in scope, candor, and accessibility, *The Harney & Sons Guide to Tea* will quickly become the classic reference and staple in the library of every serious tea drinker.
