Transforming Behaviour in the Classroom: A solution-focused guide for new teachers Geoffrey James

Being able to effectively manage the behaviour in your classroom is one of the basic foundations of good teaching. However creating a positive productive learning environment is challenging as the causes of behavioural issues can be complex and difficult to identify.

This book presents a solution-focused approach to behaviour management in primary and secondary schools, starting with the child and offering a flexible methodology and practical strategies for facilitating long-term positive behaviour.

Key coverage includes:

- An overview of main approaches to behaviour management drawing from educational theory and research
- Case studies throughout the book exploring key strategies and issues
- How to develop confidence in the classroom as a new teacher
- Neuroscience and behaviour: what can we learn from recent scientific discoveries?
