*Chance was gone; he'd sacrificed himself so Shannon and I could escape Sheol. We'd raised him on Shan's spirit radio, which meant his soul wasn't wholly destroyed by the demon gate....*

Once Corine Solomon only had the touch—the ability to read an object's past by handling it. Then she inherited her mother's magick, and that ended up being a hell of a burden. But if Corine can wrestle a demon queen and win, she can bring back her lover Chance after he's made the ultimate sacrifice. Can't she? All Corine knows is that she can't leave Chance behind if there's anything she can do about it.

But the clock is ticking—and she still has to deal with debt-collecting demons and a maniacal archangel who's running a recruitment drive. The stakes have never been so high...and this time it's truly Corine's last chance to save the love of her life.
